not anticipated as a fact to be developed by these cenaus returns. Everywhere in this vicinity the number of negroes have been lessened, and yet they are drawn into this valley, in great numbers, from every portion of the South.

Grant says that women are "citizens," and, as such, are embraced in the provisions of the l'ifteenth Amendment, and have the right to vote. If we can't induce the business men of Mamphis to take part in electives, it may be well to call forth the women of the city, and they will see to it that proper men or women fill all offices. Grant, be it remembered, is a profound lawyer, and knows what he and Mrs. Woodhull are talking about.
